Subject: FOIA Assignment

Carolyn,

Per our conversation, I reviewed the FOIA request, EPA-HQ-2014-000305. The information requested is not under the purview of the Security Management Division or OA. I believe this action should be re-directed to OHR who may also require assistance from OAM or OECA or OIG.

Let me know if you have any questions.

Kelly Glazier
Deputy Director
Security Management Division
OA/OARM
